

# BECOME A PARTNER

Your company can be part of a shared mission to change the lives of every child born with a cleft lip, cleft palate or other facial deformities around the world.

Operation Smile aligns with leading UK and global organisations that share our vision to give these children the hope and dignity they deserve.

Our experience in strategic and customised corporate partnerships ensures we deliver a mutually successful and engaged relationship with tangible results and a life changing impact on the lives of children around the world.

## WHAT CAN YOU DO?

- **Employee Engagement:** inspire employee to champion your company's social values and come together through their own awareness and fundraising activities.
- **Workplace giving:** meet CSR and philanthropy goals while providing opportunities for employee engagement through enabling workplace giving and matched giving.
- **Cause related marketing:** Connect with customers to be part of our shared vision to change children's lives through aligning our brands and together driving sales whilst giving consumers the power to make a lifelong and wide reaching impact on children born with a cleft all over the world.
- **Sponsorship:** Sponsor our international projects and our events.
- **Gifts-in-Kind:** Donate much needed supplies and services.
- **Collection Tin:** your change can make a change.
